Electrical Investments Ltd. will not use your personal information for purposes other than those Electrical Investments Ltd. has disclosed to you without your permission. From time to time, Electrical Investments Ltd. may request your permission to allow Electrical Investments Ltd. to share your personal information with third parties. You may choose not to have your personal information shared with third parties where Electrical Investments Ltd. relies on consent as the lawful basis for processing your personal information. You may also choose not to allow Electrical Investments Ltd. to use your personal information for any purpose that is incompatible with the purposes for which Electrical Investments Ltd. originally collected it or subsequently obtained your authorization. If you choose to limit the use of your personal information, certain features or Electrical Investments Ltd. Services may not be available to you.

Information from third party sources

From time to time, Electrical Investments Ltd. may obtain information about you from third party sources as permitted by applicable law, such as public databases and ID verification partners: Electrical Investments Ltd. obtains information about you from public databases and ID verification partners for purposes of verifying your identity. ID verification partners use a combination of government records and publically available information about you to verify your identity. Such information includes your name, address, job role, public employment profile, credit history, status on any sanctions lists maintained by public authorities, and other relevant data. The legal basis for such processing is to comply with Electrical Investments Ltd. legal obligations, such as anti-money laundering laws. In some cases, Electrical Investments

ltd. may process additional data about you based on public interest grounds to ensure Electrical Investments ltd. Services are not used fraudulently or for other illicit activities.

Electrical Investments ltd. also processes such information to provide support to you as part of Electrical Investments ltd. contractual obligations to you. Lastly, Electrical Investments ltd. processes such information in the public interest because it helps Electrical Investments ltd. monitor, prevent, and detect fraud.

Once Electrical Investments ltd. obtains such information from third parties, Electrical Investments ltd. will not subsequently share it with any other third parties except as described in this Privacy Policy. This information is shared with Electrical Investments ltd. processors and corporate group, as necessary, to perform the Services.

Collection and use of information collected automatically

Electrical Investments ltd. receives and stores certain types of information automatically, such as whenever you interact with the Sites or use the Services. This information does not necessarily reveal your identity directly, but may include information about the specific device you are using, such as the hardware model, operating system version, web-browser software (such as Firefox, Safari, or Internet Explorer), and your Internet Protocol (IP) address/MAC address/device identifier.

For example, Electrical Investments ltd. automatically receives and records information on Electrical Investments ltd. server logs from your browser, including how you came to and used the Services; your IP address; device type and unique device identification numbers, device event information (such as crashes, system activity and hardware settings, browser type, browser language, the date and time of your request and referral URL), broad geographic location (e.g., country or city-level location), and other technical data collected through cookies, pixel tags, and other similar technologies that uniquely identify your browser. Electrical Investments ltd. may also collect information about how your device has interacted with Electrical Investments ltd. website, including pages accessed and links clicked. Electrical Investments ltd. may use identifiers to recognize you when you arrive at the website via an external link, such as a link appearing on a third party site. Please refer to the Electrical Investments ltd. Cookie Policy (<https://electricalfund.com>) for more information about Electrical Investments ltd. use of cookies.

How Electrical Investments Ltd. protects and stores personal information

Electrical Investments Ltd. understands how important your privacy is, which is why Electrical Investments Ltd. maintains (and requires its service providers to maintain) appropriate physical, technical, and administrative safeguards to protect the security and confidentiality of the personal information you entrust to Electrical Investments Ltd.

Electrical Investments Ltd. may store and process all or part of your personal and transactional information, including certain payment information, in Switzerland, and elsewhere in the world, where Electrical Investments Ltd. service providers are located. Electrical Investments Ltd. protects your personal information by maintaining physical, electronic, and procedural safeguards in compliance with the applicable laws and regulations.

For example, Electrical Investments Ltd. uses computer safeguards such as firewalls and data encryption, Electrical Investments Ltd. enforces physical access controls to Electrical Investments Ltd. buildings and files, and Electrical Investments Ltd. authorizes access to personal information only for those employees who require it to fulfill their job responsibilities.

However, Electrical Investments Ltd. cannot guarantee that loss, misuse, unauthorized acquisition, or alteration of your data will not occur. Please recognize that you play a vital role in protecting your own personal information. When registering with Electrical Investments Ltd. Services, it is important to choose a password of sufficient length and complexity, to not reveal this password to any third parties, and to notify Electrical Investments Ltd. immediately if you become aware of any unauthorized access to or use of your account.

Furthermore, Electrical Investments Ltd. cannot ensure or warrant the security or confidentiality of information you transmit to Electrical Investments Ltd. or receive from Electrical Investments Ltd. by Internet or wireless connection, including email, phone, or SMS, since Electrical Investments Ltd. has no way of protecting that information once it leaves and until it reaches Electrical Investments Ltd.. If you have reason to believe that your data is no longer secure, please contact Electrical Investments Ltd. at the email address, mailing address, or telephone number listed at the end of this Privacy Policy.

How Electrical Investments Ltd. protects and stores personal information

Electrical Investments Ltd. takes care to allow your personal information to be accessed only by those who really need to in order to perform their tasks and duties, and to share with third parties who have a legitimate purpose for accessing it. Electrical Investments Ltd. will never sell or rent your personal information. Electrical Investments Ltd. will only share your data in the following circumstances:

- Electrical Investments Ltd. may share your information with service providers under contract who help with parts of Electrical Investments Ltd. business operations such as marketing and technology services. Electrical Investments Ltd. contracts require these service providers to only use your information in connection with the services they perform for Electrical Investments Ltd., and prohibit them from selling your information to anyone else.
- Electrical Investments Ltd. shares your information with financial institutions with which Electrical Investments Ltd. partners to process payments you have authorized.
- Electrical Investments Ltd. may share your information with companies, or other entities that Electrical Investments Ltd. plans to merge with or be acquired by. Should such a combination occur, Electrical Investments Ltd. will require that the new combined entity follow this Privacy Policy with respect to your personal information. You will receive prior notice of any change in applicable policies.
- Electrical Investments Ltd. may share your information with any third parties where required to do so by applicable law or any court or other authority to which Electrical Investments Ltd. is subject in any jurisdiction; or Electrical Investments Ltd. believes in good faith that the disclosure of personal information is necessary to prevent physical harm or financial loss, to report suspected illegal activity, or to investigate violations of the Electrical Investments Ltd. Agreements and any other applicable policies.
- Electrical Investments Ltd. may share your information with other third parties with your consent or direction to do so.

How Electrical Investments Ltd. share personal information with other parties

You are entitled to review, correct, or amend your personal information, or to delete that information where it is inaccurate. You may do this by contacting your relationship manager. However, this right is limited where personal information is needed for regulatory purposes.

If you decide to end your client relationship, Electrical Investments Ltd. will mark your account in Electrical Investments Ltd. database as "Closed," but

will keep your account information in Electrical Investments Ltd. database for a period of time as allowed by applicable law. This is necessary in order to deter fraud, by ensuring that persons who try to commit fraud will not be able to avoid detection simply by closing their account and opening a new account. However, if you close your account, your personal information will not be used by Electrical Investments Ltd. for any further purposes, nor sold or shared with third parties, except as necessary to prevent fraud and assist law enforcement, as required by law, or in accordance with this Privacy Policy.

Rights in the relation to the use of your personal information

You have a right of access to the personal information that Electrical Investments Ltd. holds about you under the Federal Act on Data Protection (and the General Data Protection Regulation) and to some related information. You can also require any inaccurate personal information to be corrected or deleted.

You can object to Electrical Investments Ltd. use of your personal information for direct marketing purposes at any time, and you may have the right to object to Electrical Investments Ltd. processing of some or all of your personal information (and require them to be deleted) in some other circumstances.

If you wish to exercise any of these rights, please contact Electrical Investments Ltd. as set out below.

Retention of personal information

Electrical Investments Ltd. will retain your personal data for as long as is necessary for the purposes of Electrical Investments Ltd. business relationship with you, to perform Electrical Investments Ltd. contractual obligations to you, or if longer, as required for legal and regulatory purposes.

Electrical Investments Ltd. has established internal policies for the deletion of data from client accounts following termination of a client's subscription to a Service.

Changes to this privacy policy

Electrical Investments Ltd. may periodically post changes to this Privacy Policy on this page. Electrical Investments Ltd. encourages you to visit this page often. When required by law, Electrical Investments Ltd. will notify you of any changes to this Privacy Policy. If Electrical Investments Ltd. makes any

material changes Electrical Investments Ltd. will notify you by email (sent to the email address specified in your account), or by means of a notice on Electrical Investments Ltd. Services prior to the change becoming effective.
